

SpringWorx Technovations

www.springworx.com/SpringWorx.asp

SpringWorx Technovations is a subsidiary of eBworx Berhad. It was set up with the purpose of undertaking the research, development and commercialization of software solutions for the banking and financial services industry, commencing with Trade Financing. SpringWorx focuses on product development while eBworx spearheads sales and marketing, integration and support activities.

SpringWorx's Corporate Cash Management System provides clients at the management level in the financial services industry with a dashboard equipped with functionalities to view financial transactional data. This dashboard is powered by BIRT.
